### **Drop-In Registration: Breakfast Club or Work and Play**

First use: When registering for the program the first time, please complete two online forms: permissions (Douglas Dawn/Dusk permissions and student information) and registration (drop-in day request) by 5:00 pm the day before the student's participation in the drop-in program. You will be invoiced for the registration fee (\$30 per child, \$50 max per family, non-refundable) at that time.

Subsequent uses: Complete the online registration (drop-in day request) form by 5:00 pm the day before the student's participation in the drop-in program.

Students on a monthly schedule are also welcome to add a drop-in day. Permissions and fees are already on file. Proceed to the online registration (drop-in day request) form by 5:00 pm the day before the student's participation in the drop-in program.

\*As of 4/5/19, the process and online form for 2019-2020 drop-in day permissions and registration are under development. This page will be updated prior to the beginning of the 2019-2020 academic year with registration process details. This online process will replace the day-of printed forms that Douglas Dawn/Dusk has used in the past.
