

Dear Douglas Families,

Welcome to the Douglas School before and after school program “Douglas at Dawn/Dusk”!

Breakfast Club runs from 7 – 8:35 AM each morning in the cafeteria and includes breakfast. Work and Play runs each afternoon from the end of the school day until 6 pm and includes snacks. To pick up from Work and Play, drive to the back of the parking lot, proceed up the wooden ramp and we are located in the modular buildings next to the lower elementary playground.

Monthly registration is now open. Forms and policies can be found on the AB Community Ed website ([https://abce.abschools.org/extended\\_day/admin\\_building/douglas](https://abce.abschools.org/extended_day/admin_building/douglas)). Drop-in registration will be available as well.

Additionally, Enrichment classes are offered three times a year in eight week sessions. Frequent offerings include Lego Engineering, 3D Printing, Knitting, Basketball, Soccer, Chess, Drama, and more. You will receive our first Enrichment brochure in September. Most classes will start the first week of October. Students enrolled in the monthly option and attending Work and Play on a day they take an enrichment class receive a \$60 discount off that class!

If your child has food allergies, we do ask that you send in safe snacks for your child. If your child uses an epipen, please bring an epipen to Sasha Opel before your child’s first day of attendance at our program.

A note in passing, in the past we have allowed students to walk to West Acton and to sign into our program later in the afternoon. We will no longer allow this option but plan to arrange some walking field trips to New London Pizza on some Thursday afternoons. We will keep you posted!

Remember to send in a lunch on Thursdays or order lunch at [this link](#) by the Sunday before.

Questions? Please see the Douglas at Dawn/Dusk Policies posted on the AB Community Ed website, call our cell phone at 508-596-0585 (during program hours only), or email us at:
